

Kosmoderma introduces Purity Mask

Chennai, Sept 18: Acne is a recurring problem faced by a majority of the population, which further brings in other issues like blemishes, dark spots and scars. Bid goodbye to acne by using the right skin product to achieve glowing, acne-free skin. Kosmoderma's new Kosmo Purity Mask is a one-stop solution for acne concerns. Use it as a mask or spot treat acne on your face. It can also be used on back and shoulder areas and folliculitis. It is specially designed for acne-prone skin and is dermatologically-tested. The mask is also specially formulated to treat dehydrated skin. It consists of ingredients like Kaolin and Calamine, which help to soothe any kind of inflammation caused by acne.
