

BENGALURU

BEAUTIFUL YOU, THIS NEW YEAR

It was a coffee and canapés afternoon with Dr. Chytra Anand that revolved around facial aesthetics, hosted by Kosmoderma and RITZ Magazine. Look your best this season by ending the year in style or starting the year with facial rejuvenation said Dr Chytra Anand as she addressed a few influencers from Bengaluru at Kosmoderma, Lavelle Road. She shared the recent most global trends in facial aesthetics catching up in India that help you stand out this holiday season with a beautiful glow on your face. Dr Chytra addressed concerns around facial contouring, botox, dermal fillers, lip fillers, lip enhancements, chiselled jawline, lifted cheeks, soft chin, tear troughs and more that they offer. These treatments are quick, completely safe and help inspire confidence and can be taken in the age group of 20 upwards.
